

Hard Copy Archives of the *Evangelical Coalition for Urban Mission* and *Christian Coalition for Urban Mission*, with related papers, 1987-2018 (52 boxes, ca 13 linear metres)

Deposited at Bristol Baptist College by the Trustees in October 2015, initially on loan but subsequently converted to a gift.

With a supplementary deposit on the *Christian Coalition for Urban Mission* from another donor.

**For further information and to request access to the collection please contact Mike Brealey"
library@bristol-baptist.ac.uk**

Content information given here is based on notes on slips of paper either inserted during filing or when the material was being prepared for transfer to Bristol. The accuracy of these notes has not been tested, and closer examination of content might reveal the need for rearrangement of series. Original order has been preserved.

Some records include personal details and other confidential information and access is therefore restricted.

A temporary numbering system has been adopted for initial organisation only.
